## Tour Details and Description

Scenic and cultural highlights as far as the eye can see – the lake district in Austria near the world-famous Mozart city of Salzburg offers countless possibilities. This tour is based in one hotel. This means that you have accommodation as a base for the entire trip and take day drips from there.

### Highlights:

- Mirabell Garden in Salzburg: Of course you must visit the festival city. As well as the Getriedegasse and the Cathedral, the Mirabell Gardens are particularly worth visiting. Labyrinths, sculptures or the palm house transport guests back in time.
- The steeply towering Drachenwand at the Mondsee offers views that are second to none. Anyone planning a hike to the top should be aware that the path from Mondsee in particular is only for experienced hikers! Alternatively, an easier tour starts in Fuschl and the view is fabulous.
- Jause at the Mostheuriger: Have a leisurely stop and enjoy rustic delicacies straight from the farm – it tastes great! Try a pastry too! To say goodbye, toast the tour with a homemade schnapps!
- Wonderful swimming in the lakes: Whether water skiing, banana boat or sailing – numerous beaches on the beautiful lakes and leisure activities are great.

### Tour character: Level 2

The bike routes along the lakeshores and the Salzach River are entirely flat. Between these stretches, the terrain is mostly gently rolling. You'll ride mainly on dedicated bike paths, farm tracks, and quiet side roads, with only a few short sections on busier roads.

**Your accommodation:**

The hotel of family Haberl offers typical Austrian savoir vivre: cultivated, comfortable, funny, real. It is simply beautiful to relax here after an active day. All rooms (incl. bath, WC, TV) are equipped with balcony and lake view.
